Your Program:

A complete file will be provided on arrival in Cambodia for complete information on [typical restaurants](#) and some practical info & off-the-beaten-track tours in order to preserve the originality of our tours.

Day 1: SIEM REAP

Arrival in Siem Reap before 10:00.

Welcome at the airport. As applicable, drop your luggage off at a hotel.

Excursion with English speaking guide and boat private on the Tonle Sap Lake to the **Kampong Phluk flooded forest** through the **fishing** village of Chong Khneas, about 1h30 by boat separates these two villages.

Visit the **Kampong Pluk** village fishermen, fantastic and unique in its kind. A village on the water cut off from the world... accessible only by boat.

During the dry season, you walk in this village built surrounding a pagoda. You can observe the constructions and renovations of houses and boats, the way of life of the local people, the means of transportation of villagers who live 6 months on the water. Visit the houses and small factories of fish, small market etc...

During the wet season, you will embark on a private boat from one house to another and you will change a little later again a small boat to explore the flooded forest.

Our vehicle is waiting for you at **Kampong Phluk**, 45 km of road we will hold in the forgotten temple of **Beng Méaléa** (flower in the pond).

The quality of the architecture and decoration of this temple will amaze you despite the fact that nature and humans have left it in ruins.

Note: trip can be done in reverse.

Optional on the day: unlike other agencies that make you visit the 'Crocodile Farm' we will take you in a local family-owned farm. The more adventurous can hold (crocodiles!) babies in their hands. It is a downtown; it takes at least 30 minutes. If you do not want to visit, you can inform the guide.

Later you will go to the discover Siem Reap: **field-schools** (Artisan D'angkor)

www.artisansdangkor.com

Then visit "Psa Chas", the old market, lively city tour behind the Ta Prohm hotel where you can walk the evening (restaurants, massages, shops, and crafts... night market).

Note: Depending on your arrival time, some visits may be transferred to the following day.

Overnight in Siem Reap.

Day 2: SIEM REAP (B - D)

Kravan, Ta Nei, Bat Chum, Srah Srang, Ta Prohm, Banteay Kdei, Pre Roup, Tasom, Neak Pean, Krol Kor, Prasat Pithu, Preah Khan, Preah Palilay.
